

Homework: Plan

September 30, 2021

- Set improvement goal
- Predict what will happen
- Plan who, what, when, where, how
- Decide what data to gather

U.S. Antibiotic Awareness Week (USAAW)

U.S. Antibiotic Awareness Week is November 18-24, 2021.

USAAW is an annual observance that raises awareness of the threat of antibiotic resistance and the importance of appropriate antibiotic use.
