Quarterly Sessions

- **Goals**

- **Accountability:** To self and peers
- **Leverage the power of "group think":**
Share experiences, troubleshoot barriers, and benefit from peer mentoring
- **Strength in community!**

- **Format**

- **Thematic**
- **Open Forum**

Q1: Launching 201

- What questions do you have about the transition to an Asynchronous Model?
- How can you as peer hospitals best support each other through the process?

IQIC 101 Survey

- Please utilize the rest of the session to complete if you haven't already done so!

Scott's Thoughts

On our feelings about the IQIC 201 Cohort Community:

"People will never be replaced by machines. In the end, life and business are about human connections. And computers are about trying to murder you in a lake. And to me the choice is easy."

- Michael Scott

See you in December!
