

# SEPSIS ALLIANCE PRESENTS: SEPSIS FUNDAMENTALS

## **Transforming Knowledge into Action: Essential Sepsis Training**

Sepsis remains the leading cause of death in U.S. hospitals. Rapid recognition and response are critical to improving sepsis survival rates.

Sepsis Alliance Presents: Sepsis Fundamentals is a multi-part foundational curriculum designed to establish a strong knowledge of key sepsis concepts for nurses and other healthcare professionals, including sepsis coordinators.

Curriculum includes:

**Sepsis Epidemiology**

**Sepsis Recognition**

**Sepsis Diagnosis & Treatment**

**Sepsis Recovery**

**Sepsis Quality Improvement and Patient Safety**

*RN CE Credits and a course completion certificate will be provided.*
